CITY CLERK

I have one question in regards to the proposed casino. Will it be 100% smoke free? I visited Indiana Grand this week and there were customers smoking in the non smoking section. My husband and I spend a lot of time at the Illinois casinos as they are all 100% non smoking. I haven't heard anything about the proposed casino in this matter. I personally think that would be a positive selling point for many people.

If there is smoking allowed in the casino then I think every bar owner has a right to fight the non smoking rule for their bars.

Sincerely,

Melissa Walker
